Fahim Arsad Nafis

has successfully completed the online, non-credit Specialization

Supply Chain Management

The Supply Chain Management Specialization focuses on the network of firms that are linked in today's global economy. This introductory specialization covers the tools, techniques and best practices employed by today's leading companies to succeed in the marketplace. The learner mastered the fundamentals in Logistics, Operations, Planning, and Sourcing, followed by a capstone course in Supply Chain Management Strategy.

Rudolf Leuschner

Rudolf Leuschner, Ph.D.
Assistant Professor
Department of Supply
Chain Management
Rutgers Business School
Rutgers University

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
